**Model B2500**

**2 HP 2 Speed Timer Blender**

We designed the high performance blender to out perform the competition. The container is uniquely designed to create maximum blending capability and consistent product quality. A wide variety of products can be made with ease with just the touch of a button. Soups, salsas, iced drinks, vegetable and fruit smoothies, in seconds. Of course – it's an Omega!

Specifications subject to change without notice.

Approvals: ETL Commercial, ETL Sanitation & CE Approved.
